Explore trails and find out how you can get involved at kctrails.org or scan the QR code.

KC TRAILS
 RUN · WALK · BIKE · PADDLE

Did you know?

In August 2022 the Kershaw County School District passed an Open Community Use policy to combat physical inactivity in the community by offering safe places to be physically active.

What does this mean?

Recreational areas on school property are available for use by the community during hours when the school or school-related organizations are not using them including after school hours, holidays, and weekends.
